

# Appendix A: Proposed Shoreline Environment Designations (SED)

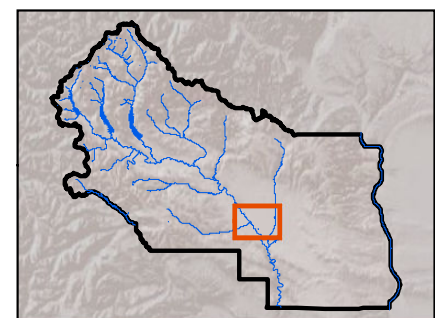

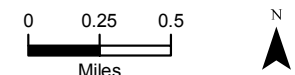

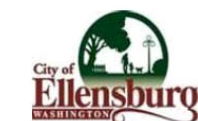

City of Ellensburg - SMP Update  
SMA Grant #: G1200054

-  Minimum Shoreline Planning Extent
  -  City Limits
  -  UGA (Urban Growth Boundary)
- ### Shoreline Environment Designations (SED)
- Minimum Shoreline Jurisdiction**
    -  Aquatic
    -  Urban Conservancy
  - Extended Shoreline Jurisdiction (Optional)**
    -  Aquatic
    -  High Intensity
    -  Shoreline Residential
    -  Urban Conservancy

Note: Areas waterward of the Ordinary High Water Line are designated Aquatic.

The current draft of the SMP proposes to regulate the minimum shoreland extent, which consists of the floodway (or OWHM if greater) plus 200 feet and associated wetlands. For informational purposes, these maps also show the optional, extended shoreland extent that could be regulated, which includes the entire floodplain. This additional mapping is intended to be a tool for evaluating the scope and impact of the shoreline jurisdiction options.
