## It is time to tell a new Story!

What will your story be? Join us at the Ellensburg Public Library for a new kind of Summer Reading Program that celebrates many kinds of stories, including yours! The program is open to all young people, ages birth through seventeen years old. There are great prizes to earn by reading, special weekly Activity Bags for curbside pick-up, many virtual programs, storytimes, and of course....great books!

**The reading program officially begins on Monday, June 22nd.**

Readers have until Labor Day weekend to complete the reading portion of the program, whether you use the online reading log, ReaderZone or the sticker-sheet! Record all times spent reading or listening to reading. Readers may use books, comic books, graphic novels or audio books. Reading can take place at home, outside or on vacation. Just be sure to keep track of your reading time!

**Stickersheets are available for curbside pick-up Monday-Friday from 10-11am & 4-5pm.**

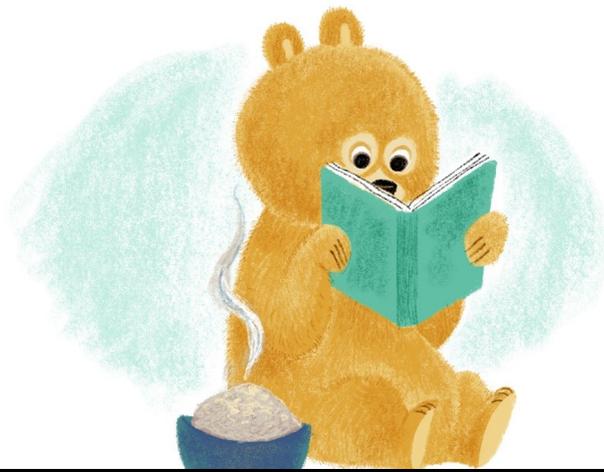

#### **How much should I read? \*\***

There are a total of 50 sticker spaces on the reading sheet. For every 30 minutes of reading time spent, place a sticker on a space. When the sheet is full - Congratulations! It's time to claim your prizes. A complete reading log equals 25 hours!! OR check ReaderZone on Ellensburg Public Library's website for a custom-made virtual reading log!

#### **\*\*Note\*\***

**These are just suggested guidelines. Please feel free to modify reading times to best suit the reader & the family.**

**Enjoy the many stories!**
