

City of Ellensburg Parks & Recreation Department 'Park Partnership Program'

Introduction

Each year the Ellensburg City Council designates .3% of the previous year's (April 1 – March 31) general sales tax revenue to provide matching funds to community groups wishing to make capital improvements at City parks, trails, open space and recreational facilities. This year the 'Park Partnership Program' will have a total of \$15,617.39 (fifteen thousand six hundred and seventeen dollars & thirty-nine cents) available for projects.

Goals

- To improve or increase park, open space, wildlife habitat, and recreational opportunities for the general public.
- Foster public initiative and participation in developing City parks and recreational facilities.
- Enhance the quality of life in Ellensburg.

Program Guidelines

Eligible Applicants: Service and civic groups, athletic/sports organizations, neighborhood park user groups and non-profit organizations. Partnerships among individuals and/or groups will also be considered.

Eligible Sites: City owned, leased or controlled parks, trails, open space and recreational facilities used by the general public have first priority. Facilities and amenities may serve passive, active, or special interest recreation activities.

Project Timeline

Application Due Dates: Applications must be submitted by 5:00pm on August 31st. Applications shall be submitted to the Parks & Recreation Department Administrative Office, located on the 2nd floor of City Hall, 501 N Anderson, Ellensburg, WA 98926.

Award Decisions: Award decisions will be made by City Council at a regularly scheduled November Council meeting. A contract will be executed to outline the specific conditions of the project if awarded.

Project Time Limit: All projects must be completed within twelve (12) months of award. Awards will be rescinded for projects not ready for contracting within thirty (30) days of award.

Project Evaluation

Written applications will be reviewed by the Parks & Recreation Director to determine eligibility. All eligible projects will be forwarded to the Parks & Recreation Commission to be scored by a rating system with the highest ranking projects moving onto an oral presentation with the Commission.

Project Eligibility

1. Projects must be located on publicly owned property to be eligible.
2. Projects should be in conformance to any applicable master plan.
3. Public bid laws may be applicable for purchases made by the applicant. Please contact the City Parks & Recreation Director, or his/her designee, to determine if public bid law applies to your project.
4. Indoor and outdoor recreational facilities are eligible for partnership funding.
5. Park Partnership applicants are required to provide match for each dollar requested. Match may consist of cash, donated labor, donated materials, use of construction equipment, or architectural/landscape design services.
 - a. Volunteer labor is valued at the standard IRS rate.
 - b. Equipment donations will be valued at the price the equipment would be rented for per hour.
 - c. Donated professional services will be valued at the “reasonable and customary” rate.
 - d. The applicant may not use City staff time as match. Any anticipated work performed by City employees in the execution of the project must be included in the total amount funding being requested. A standard rate of \$40.00 per hour should be used for City staff time; this rate includes wages and benefits.

Applicant Responsibilities

Applicants are required to present their project to the Parks & Recreation Commission at the Commission’s regularly scheduled September, and if necessary, October, meeting. Commission meetings take place the second Wednesday of month at 5:30 pm in the Council Conference Room, located on the first floor of Ellensburg City Hall. Presentations are limited to 10 (ten) minutes and must address the following subject matter:

1. Please explain the public benefits of the project.
2. Give an overview of the project's design and budget.
3. Describe ease of project maintenance and on-going operation.
4. Provide evidence this project has demonstrated support from the neighborhood or user groups.
5. Provide evidence the project is in an appropriate location concerning neighborhood impacts, access, environmental impacts, and proximity to potential facility users.

The Commission will then have up to 5 (five) minutes to ask the applicant questions about their project. Please note that the Commission will be given copies of your project application in advance of the meeting. The Commission will make a funding recommendation to the City Council. The application becomes invalid if the applicant or designated representative is not present at the Commission meeting to present their project. Applicants may be asked to present their project to the City Council.

Applicant Instructions

Applications Packets include the following:

Project Description: This form describes the project location, a brief description, contact person information, and project costs.

Work Plan: List the specific steps you will take to complete this project. Next to each step identify who will be responsible for the activity and the estimated date of completion.

Budget Plan: List each resource and quantity needed to complete your project. Calculate the total cost for each resource including tax. Next, breakdown the total cost of each resource by how much is applicant "in-kind", applicant cash, and how much of the City's match (if any) you will spend on this project.

Match Pledged: This form is provided to help solicit and gather match pledges. Applicant match can be pledged or secured at the time of application. Pledged means that the donor has made a verbal promise to provide the match item; secured means that the donor has signed the application's Match Pledge/Secured Form to confirm the commitment.
