Ellensburg WA 98026

February 13th, 2024

City Of Ellensburg &  
Parks and Recreation  
501 N Anderson St  
Ellensburg WA 98026

The American Legion would like to thank the City of Ellensburg and Parks and Recreation for taking the time to hear our concerns regarding the proposed changes to Craig's Hill at Reed Park. We are grateful for the relationship that we have been able to establish with the city.

We believe our concerns regarding the impact to the available parking on the hill have been heard and we appreciate all the city has done to ensure that we remain a viable business and gathering place for our American Veterans for years to come.

We appreciate the steps the city has taken to move the bollards and trim particular trees that have been a safety concern for years.

The city has taken steps to revise plan A in a way that has minimizes our concerns and assured us there will be no net loss of parking spaces near the Legion.

We are in support of the park changes shown in the newly revised park plan A, as it was presented to us by the City Manager, Heidi Cerniwey and Parks and Recreation Director Brad Case on February 7th 2024.

American Legion Post 8 Commander,

*Joseph W. Hill*
