We would like to use the park to do some catch with the dog, but she's supposed to be on leash at all times. If there was a better way to have a rule about dogs not bothering people that allowed for some off leash play, this would be appreciated.

Screen Name Redacted	Walking after dark (which can be 4 or 4:30 pm in the Winter) is dangerous as it is very dark and cars do not see pedestrians. There is no safe place to walk other than in the middle of the road. Sometimes cars drive very fast in and out of the park.

Screen Name Redacted      Safety, too much traffic

11/09/2021 02:50 PM

Screen Name Redacted      I frequently choose parks further from my house for my family's safety. I predict that 90% of cars go 40 mph or more. I've politely asked the teen drivers to slow down, but they usually flip me off and purposely speed up. It's dangerous and frustrating.

Screen Name Redacted      High schoolers revving their engines and leaving garbage all over diminishes my enjoyment. I have noticed law enforcement presence lately and that seems to help a lot..

Screen Name Redacted      it is good for walking - not very good for kid play. Could be better for picnicing if the cars weren't right at the edge where the good views are

Screen Name Redacted      The lack of sidewalks makes walking feel unsafe- I walk against traffic so I can see oncoming cars. The young drivers who speed and have excessively loud vehicles make the park unpleasant at times.

Screen Name Redacted      Lack of other amenities.

Screen Name Redacted	Boring
11/10/2021 06:42 PM	
Screen Name Redacted	Cars speed and I fear safety of walking near Craig Ave. Reckless and hostile drivers. Trucks are incredibly loud and startle pedestrians and pets. At times it feels like a teen clique hangout with an unwelcoming vibe. Does not feel family friendly.

Screen Name Redacted 11/12/2021 06:43 AM	The traffic flow is terrible. The rowdy crowds of young adults gathered outside their vehicles
Screen Name Redacted 11/12/2021 07:16 AM	It would be nice to have a more direct connection between the park and the John Wayne trail, but I always feel comfortable in the park.
Screen Name Redacted 11/12/2021 08:21 AM	No bathroom, no playtoy, odd configuration
Screen Name Redacted 11/12/2021 08:43 AM	No playground
Screen Name Redacted 11/12/2021 09:14 AM	No not at all! I've lived across the street from Reed Park almost all my life and have enjoyed it every day. I believe that the people that come up to look over the city do it because it is beautiful and peaceful.
Screen Name Redacted 11/12/2021 11:39 AM	I avoid the park during High School lunch period. There are a few that leave trash on the ground. I frequent the park less during Friday and Saturday evenings as it seems the High School students use it as a place to congregate.

Screen Name Redacted 11/15/2021 10:51 AM	I mostly use Reed park to exercise in, bicycling and walking. Occasionally, we drive through with out of town guests. We could easily get out and walk a short distance, but the current road makes it exceptionally easy to just drive through.

## Q7 | Do you have any additional comments about Reed Park?

Screen Name Redacted

11/09/2021 01:48 PM

It would be great to have local access only and allow the park to be a pedestrian destination! That sounds enjoyable. Would use the park more often if there was less car traffic.

Screen Name Redacted

11/09/2021 01:58 PM

It is the spot for high school age to go drink and use drugs, it has been as long as I've lived in Ellensburg.

Screen Name Redacted

11/09/2021 01:59 PM

Less cars would be great! Would be a really cool spot to host events at if cars were not there as much!

Screen Name Redacted

11/09/2021 02:02 PM

Making the park more pedestrian friendly is, in my opinion, the most important renovation that should be done.

Screen Name Redacted

11/09/2021 02:11 PM

None

Screen Name Redacted 11/09/2021 02:15 PM	I am sympathetic to the neighbors, and I'm amenable to any solution that maintains free public access to this significant space...
Screen Name Redacted 11/09/2021 02:19 PM	I am supportive of any solution that allows free and open access to the park for all members of the public! I would also like to see an interpretive sign of the natural and human history of this very significant landform that almost nobody knows about!!
Screen Name Redacted 11/09/2021 02:20 PM	I think all car access should be removed. Parking near the entrance, then all grass at the top. Cars make it dangerous for families to visit
Screen Name Redacted 11/09/2021 02:21 PM	The individuals that live by the area act like it is there area only and are rude to individuals trying to enjoy the area
Screen Name Redacted 11/09/2021 02:23 PM	Please keep some grassy area for playing with my dog and picnicking.
Screen Name Redacted 11/09/2021 02:41 PM	Needs a safe walk path thru it, including along bluff so we don't have to be worried about a car backing up over walkers! It needs a restroom, picnic tables, and benches . Needs a gazebo or picnic shelter. Parking area is poorly set up.
Screen Name Redacted 11/09/2021 02:56 PM	I want people of all ages to safely enjoy Reed Park. I've lived two blocks away for three years, and in my view the best solution is to install sharp speed bumps throughout the park and on the access streets. More street lights would be nice too.
Screen Name Redacted 11/09/2021 03:13 PM	Continued law enforcement patrols during lunch would be welcomed
Screen Name Redacted 11/09/2021 03:14 PM	please separate car and foot traffic
Screen Name Redacted 11/09/2021 03:22 PM	The young crowd that drives up to reed park at all times of the day and night drive at an excessive speed thru the close neighborhoods. I wish there wasn't a large parking lot up there for them to just hang out at.
Screen Name Redacted	It's a nice place to sit and be you.

Please don't take away the views. It's a great place to watch the sunset in a warm car because it's very windy. If you take away the driving route please provide a covered shelter that doesn't block the views of the valley.

Screen Name Redacted

Challenge will be to keep Legion Hall open and accessible, manage traffic flow. Kid activity seems to be less due to: COVID?, graduation?, or the Sheriff's car parked on the hill? !

It's cool.. ive done weddings there

I am glad for an attempt to make it useable by the general public once again. I'm sure there are many improvements that could be made; I don't think the park needs improving. I would just like traffic to decrease & the drug clientele to vacate.

Screen Name Redacted

Beautiful space. It would be nice to have picnic tables or benches where people park. Maybe on rad parking can be discontinued and parking could be reduced. I'd have to walk a bit further, but that would be ok.

Screen Name Redacted

If it could be more family friendly

Quit letting people park up there during events in the rodeo arena.

the park. A picnic area over the hillside.

Screen Name Redacted

11/09/2021 04:32 PM

There are a lot of kids up there with loud cars all the time, especially in the evenings. Also in the evenings cars are parked there with people smoking.

Screen Name Redacted

11/09/2021 04:43 PM

Maybe close the park late evenings, so reduce students partying up there and bothering the neighbors Please don't close it off to vehicles during the day. We are elderly and couldn't walk up the hill to enjoy the park.

Screen Name Redacted

11/09/2021 04:57 PM

Several years ago I read that public toilets were supposed to be built at Reed Park. Facilities would definitely make it a better equipped park for picnics, etc...

Screen Name Redacted

11/09/2021 05:01 PM

How about limiting time for motor vehicle parking

Screen Name Redacted

11/09/2021 05:04 PM

Preserve its beauty.

Screen Name Redacted

11/09/2021 05:29 PM

Please don't do away with the parking on the upper west side.

Screen Name Redacted

11/09/2021 05:32 PM

Traffic can be dangerous there. The neighborhood streets up there are confusing

Screen Name Redacted

11/09/2021 05:38 PM

I think gearing the area more toward walking or biking is a great way to make the park feel more useable to the community. I have observed dangerous driving behaviors around Reed Park which seems particularly dangerous for the area

Screen Name Redacted

11/09/2021 05:42 PM

I really dislike the loud trucks roaring up Poplar Street. I wish it was pedestrian only except for those with mobility issues or American Legion visitors.

Screen Name Redacted

11/09/2021 05:56 PM

Don't make it too busy.

Screen Name Redacted 11/09/2021 05:59 PM	Why should the neighborhood of Reed Park be treated any different from the neighborhood of 1st and Pine concerning traffic?
Screen Name Redacted 11/09/2021 06:01 PM	Love it
Screen Name Redacted 11/09/2021 06:18 PM	Love it
Screen Name Redacted 11/09/2021 06:14 PM	Delivery drivers depend on the road that goes around the park to deliver craigs hill. Leave the road alone.
Screen Name Redacted 11/09/2021 06:35 PM	Don't forget to keep freeloader hill alive! It's part of the rodeo weekend experience
Screen Name Redacted 11/09/2021 06:59 PM	I would love to see a trail wrapping up the hill, within the open space north of the water tower, and traversing the grass area.
Screen Name Redacted 11/09/2021 07:22 PM	Thank you for trying to make this better
Screen Name Redacted 11/09/2021 08:22 PM	Speed bumps could accomplish a lot
Screen Name Redacted 11/09/2021 08:28 PM	The loud reckless cars and the pollution that they create, the harassing teenagers, and the drug culture that is present at various times of the day make Reed Park an unwelcoming place. It used to be a lovely place to take in the view and have a picnic.
Screen Name Redacted 11/09/2021 08:32 PM	I live in the neighborhood and see tremendous potential for the park. Folks walk by our house by the hundreds per day (Poplar and 3rd), but I'm sure that only a small subset head on the park. Ridiculous! Hoping for improvements for walkers! Thanks.
Screen Name Redacted 11/09/2021 08:59 PM	It would be nice if it had benches that would have a view of the city and campus.
Screen Name Redacted 11/09/2021 09:10 PM	Reed park is Ellensburg s crown jewel and should be set up so walkers and bicyclists can use it safely

Screen Name Redacted

11/09/2021 10:31 PM

The amount of times I've used the park in the last 18 months have dropped way off because of not feeling safe, being threatened. Calling 911 is not the solution. Many of us have given up going there at all because of the gang hanging out there.

Screen Name Redacted

Screen Name Redacted

11/10/2021 06:12 AM

I'm actually concerned about why the City thinks they need to do this when the current parks in town could definitely need the funds allotted for this possible project. Most disappointing park is the Memorial Park.

Screen Name Redacted

11/10/2021 06:25 AM

Sidewalks or other safety measures are needed to protect pedestrians from vehicle traffic.

Screen Name Redacted

11/10/2021 06:43 AM

Screen Name Redacted	We love the natural beauty of the area and the gorgeous views. Please do not lose these items in the changes that are coming. It would also be best to check with the people that actually live around the park before plans are finalized.

Screen Name Redacted	Leave it the way it is and put the the city \$\$\$ to use on roads, street lights, and sidewalks that need attention.
11/10/2021 08:29 AM

Screen Name Redacted	I think there is value in having a place where ppl can go and safely park their vehicle and enjoy the view of the valley. As a young adult I did a lot of thinking from that spot.

Screen Name Redacted

I'd hate to see such a historic part of our town change too dramatically just because some people don't like the noise associated with living near a park.

Screen Name Redacted

11/10/2021 10:22 AM

Park needs safe walkways and public restrooms.

Screen Name Redacted

11/10/2021 10:41 AM

Please keep park open to vehicles. Parents with small children need to drive. This park belongs to the community and not just those living on Craig Street.

Screen Name Redacted

11/10/2021 10:49 AM

I appreciate the fact that teens and college aged people enjoy the park and especially the overlook area. However, this comes with traffic related problems, such as speeding along access/exit streets. My residence is on Maple street where speeding occurs.

Screen Name Redacted

11/10/2021 11:17 AM

We have no problem sharing with cars going up to sit and look at views or just sit and talk.

Screen Name Redacted

11/10/2021 11:18 AM

I prefer it stays just the way it is. Part of it's charm is that it isn't finished with sidewalks and bike lanes. It's the water tower hill! It already has a small grass area so I don't know why you would take away from the little space there is

Screen Name Redacted

11/10/2021 11:23 AM

No

Screen Name Redacted

11/10/2021 11:55 AM

It would be nice to develop more of the area north of the water tower. Even incorporating the Palouse to the Cascades trail as an access point.

Screen Name Redacted

11/10/2021 01:48 PM

I believe Reed Park should be maintained as a restful place to walk around or through, a scenic place to view this valley.

Screen Name Redacted

11/10/2021 02:07 PM

People getting high in their cars, enjoying the view, creates increased safety concern for peds...speeding, carelessness etc.

**The Plan for the Master Plan. : Survey Report for 28 June 2021 to 11 July 2022**

---

Screen Name Redacted 11/10/2021 02:53 PM	Reduce paved area and expand grass and landscaping.
Screen Name Redacted 11/10/2021 03:21 PM	I'd love for it to be a welcome place for families with children. Perhaps a okay area. A sidewalk. Public art. Picnic tables. Community events such as outdoor concerts or plays.
Screen Name Redacted 11/10/2021 03:26 PM	Sidewalks and bathrooms would be awesome
Screen Name Redacted 11/10/2021 03:55 PM	I like the park but the viewing area can be crowded, littered and noisy.
Screen Name Redacted 11/10/2021 04:15 PM	Irritated they charge you to park during the fair at a PUBLIC park
Screen Name Redacted 11/10/2021 04:36 PM	The landscaping and upkeep is much better then it use to be. I would not change the one way circular drive around the park. This is an unique part of Ellensburg in many ways.
Screen Name Redacted 11/10/2021 05:52 PM	The noise level and speeding cars have been much better recently, so I am content with the current park. I think the acts of a few should not limit the rest in using the park. If problems return, violators of the park should have their use suspended.
Screen Name Redacted 11/10/2021 06:15 PM	I think it would be a great location to add more modern amenities for our youth.
Screen Name Redacted 11/10/2021 06:17 PM	We should put a skatepark here
Screen Name Redacted 11/10/2021 06:42 PM	Skate park
Screen Name Redacted 11/10/2021 06:43 PM	Additional pedestrian friendly meetup/conversation areas would be nice
Screen Name Redacted 11/10/2021 07:06 PM	Would be nice to have more of a side walk. Love the green space up here and letting dogs sniff around.

---

Screen Name Redacted 11/10/2021 07:35 PM	It is a destination. Enhancements would benefit both residents and visitors alike.
Screen Name Redacted 11/10/2021 07:45 PM	Reed Park attracts a lot of gatherings, which creates speeding cars through the neighborhood streets. Limiting vehicle access and encouraging pedestrian use, even if creates more need for street parking in the neighborhood, would be preferable.
Screen Name Redacted 11/10/2021 07:51 PM	It's perfectly fine as is, please don't make substantial changes!
Screen Name Redacted 11/10/2021 08:13 PM	Living close to the park, I'm weary of the the loud, fast, recklessly driven vehicles driving in and out (what stop sign?!) of the park with no regard for the quiet residential nature of the neighborhood. The park closing hours are often ignored.
Screen Name Redacted 11/10/2021 09:19 PM	i want a skatepark
Screen Name Redacted 11/10/2021 11:01 PM	With the location of the American Legion adjacent to Reed park, their events also cause a great deal of traffic and safety issues. Where will the vehicles for those going to the American Legion go?
Screen Name Redacted 11/10/2021 11:28 PM	Too many cars just parked with people playing loud music. Not very safe for kids or walking with cars going too fast
Screen Name Redacted 11/11/2021 07:19 AM	Picnic tables would be nice!
Screen Name Redacted 11/11/2021 08:18 AM	Would love if there was a sidewalk!! I see many walkers and runners on the road here.
Screen Name Redacted 11/11/2021 08:43 AM	it would make a great skatepark and bring a lot of interest. families that live in that area would be able to bring their kids somewhere close to do something fun.
Screen Name Redacted 11/11/2021 11:22 AM	Put sidewalks in, make top of the hill more of a park less of a parking lot.

Screen Name Redacted  
11/11/2021 11:58 AM

there should be a skatepark, it's big enough.

Screen Name Redacted  
11/11/2021 12:45 PM

please just spruce up the park and add some speed bumps or other traffic slowing mechanisms in the area. The elimination of parking will not solve the loitering and pedestrian safety issues but only cause it to be spread further around the park.

Screen Name Redacted  
11/11/2021 01:21 PM

Have widely available trash cans, dog poop bags?, limit/reduce number of rodeo/view facing parking spots.

Screen Name Redacted  
11/11/2021 01:40 PM

It's not meeting it's full potential considering how nice it could be due to its location and the view.

Screen Name Redacted  
11/11/2021 02:02 PM

If there was a way to have a parking lot behind the water tower and route traffic that way it may be better for residents

Screen Name Redacted  
11/11/2021 03:16 PM

Creating a parking area at the bottom so folks have to hoof it up to the view is one idea. Install a gate at the top so homeowners can access their homes from the south side of the park. Legion members/Rodeo RV's could be given access to the gate

Screen Name Redacted  
11/11/2021 04:02 PM

keep the park simple and accessible but reduce the attraction for vehicles to do laps or hang out with engines idling

Screen Name Redacted  
11/11/2021 06:35 PM

I think whatever the future plans are it needs to remain a place where people can go park and enjoy the views. Especially young people. They're so few things for kids to do in this town.

Screen Name Redacted  
11/11/2021 07:10 PM

Please close the park to vehicular traffic.

Screen Name Redacted  
11/11/2021 07:52 PM

It'll diminish my quality of life if Vehicle access to enjoy the view is eliminated.

Screen Name Redacted  
11/11/2021 08:00 PM

Reed Park is a beautiful community resource and needs to be managed to maintain access for all. We can work together to allow multiple uses safely, without having the poor behavior of a small

minority to drive away the majority who use it well.

Screen Name Redacted

11/11/2021 09:13 PM

I would like to see it cleaned up, gardens, water feature, playground, and/or picnic area enhanced/added

Screen Name Redacted

11/11/2021 09:43 PM

i would put cover sitting area at the top narrow area. Put a sidewalk or a walking path the entire length. Maybe make it into a park that has different natural workout obstacles.

Screen Name Redacted

11/12/2021 05:03 AM

I enjoy this park for the purpose of a walk with a great view. I've always felt safe.

Screen Name Redacted

11/12/2021 06:43 AM

This park sees so many pedestrians but there is no safe pedestrian paved route. The speeding and the flagrant refusal to stop at stop signs combined with loud exhaust and revving engines makes it all less enjoyable and more dangerous

Screen Name Redacted

This year you have done a terrific job of mowing the park and keeping the dandelions down. The flowers and the trees have been well cared for. The park was beautiful all summer!

Screen Name Redacted

11/12/2021 11:39 AM

North of the Legion hall, it would be nice to have dedicated disabled parking spots. People with mobility problems may not be able to get out of their vehicles as easily. These are places with broader views.

Screen Name Redacted

11/12/2021 12:48 PM

It would be nice if the high schoolers would pick up their garbage. I feel bad for the residents that live there and have to deal with teenage drivers

Screen Name Redacted

11/12/2021 03:14 PM

I would like to see less traffic on Alder Street. Students drive dangerously in their pickups and cars and they make the park dangerous to walk in. Police enforcement is needed at lunch and after school daily.

Screen Name Redacted	Keep it accessible and functional.
11/12/2021 06:37 PM	
Screen Name Redacted	Unless you can figure out a better parking situation, closing it to cars will just make people park in the neighborhood. I like that I can bike up there on the road. I'd hate to see it get even busier without thinking this through very carefully.
11/12/2021 07:48 PM	
Screen Name Redacted	Complete the work to protect the law abiding visitors by dealing with the unruly and reckless traffic and kids by completing the trespass process. Drop speed limit from 20 to 15. Provide large Walking paths to encourage foot and bike traffic.
11/12/2021 08:25 PM	
Screen Name Redacted	I like it just the way it is. No sporting events PLEASE!
11/13/2021 02:41 AM	
Screen Name Redacted	Spend the money elsewhere. Leave it like it is.
11/13/2021 07:42 AM	
Screen Name Redacted	Place the parking at the SE, replace the narrow green strip at the top of the loop with parking, place benches and a decent wall barrier at the rodeo grounds hillside so that people can sit at the viewpoint outside of their cars.
11/13/2021 10:43 AM	
Screen Name Redacted	Maybe some benches in the "view" area so you could sit outside to enjoy the view?
11/13/2021 04:01 PM	
Screen Name Redacted	It's a wonderful neighborhood park; views are great
11/14/2021 07:04 PM	
Screen Name Redacted	It could be a great place for friends and kids to gather with the right amenities.
11/15/2021 10:41 AM	
Screen Name Redacted	It difficult to go back and see my responses to this survey to know, if I am not repeating myself. I would like to see a park that is much more pedestrian oriented. I see many people enjoying a cool summer breeze, reading a book, or chatting with a friend
11/15/2021 10:51 AM	
Screen Name Redacted	It would be nice to add playground equipment in that triangular

11/16/2021 05:23 AM

section of Reed park.

Screen Name Redacted

11/16/2021 08:11 AM

a sidewalk or path to be able to safely push a stroller not in the road would be nice, maybe a natural play area

Screen Name Redacted

11/16/2021 10:10 AM

Amenities like bathrooms, play equipment, and improved safety would improve the use of the park

Screen Name Redacted

11/17/2021 01:08 PM

It would be nice to have some sort of gathering spaces that could be reserved for events (gazibo type spaces).

Screen Name Redacted

11/17/2021 02:37 PM

The residents are unkind. I have two young children in my family car and I have been yelled at several times for driving and parking at the park.

Screen Name Redacted

11/17/2021 09:16 PM

It would be nice to have better lighting at night for safety while walking and to drive out suspicious behavior from the park. Also, it would good to have safer walking conditions, instead of walking on the street.

Screen Name Redacted

11/17/2021 10:07 PM

Definitely gets used for recreation. I am a female and have never felt safety was an issue even when I've been up there myself. Kids might be up there with their friends but not being trouble makers that I could tell. Kids will just find a new place!

Screen Name Redacted

11/19/2021 03:22 AM

There are no sidewalks which is a problem, especially when I'm pushing a stroller (for child). Not much room for walkers plus vehicles in the road. Lots of traffic at lunch as well. People being their lunch up there.

Screen Name Redacted

11/19/2021 08:38 AM

It's an Ellensburg icon! (The park area residents have become more and more unwelcoming)

Screen Name Redacted

11/19/2021 10:32 AM

I strongly desire a sidewalk so pedestrians and cars don't have to share the same narrow pavement.

Screen Name Redacted

11/19/2021 09:34 PM

Save your money, invest in the city pool, bump through Illinois St. To Ida Nason which would help the safety of children. Let Reed park be

just a nature area.

Screen Name Redacted

11/20/2021 07:08 AM

A pedestrian path would feel safer than using the vehicle road

Screen Name Redacted

11/22/2021 05:37 PM

I would love a swing set or small climbing structure for children and sidewalks, if possible.

Screen Name Redacted

11/22/2021 07:54 PM

I love the area and love the view

Screen Name Redacted

11/23/2021 04:07 AM

Leave it alone

Screen Name Redacted

11/29/2021 02:45 PM

The overlook area (and as a result, the roads) is unsafe and unsuitable for families. It should be redesigned to allow a variety of different groups to enjoy it.

Screen Name Redacted

11/29/2021 03:05 PM

Invest in cleaning it up. Weeding, garbage maintain fences but leave it alone as it does get abused by many.

Screen Name Redacted

11/29/2021 03:42 PM

Please don't ruin it or make it where it's no longer walking friendly. Please keep how beautiful it is and the quietness of it.

Screen Name Redacted

12/02/2021 11:56 AM

Don't let the neighbors decide how a city park/area should be used. It's not the kids that are causing the issues, I'm 48, and I've been talked at by the "Karens" that live at the top, they think they own the hill. They get mad when they get told that the

Screen Name Redacted

12/06/2021 12:15 PM

It's hard to imagine the design changin much, so I am sure it will be fine. Maybe the southwest section near the cliff can be incorporated into the park more. Path along the exit road in that area would be nice.

Screen Name Redacted

12/07/2021 08:09 AM

people complaining about kids using the park need to get over it. The health and social benefits of parks are unmeasurable, people need parks! I understand the crazy driving, but that can be fixed with some traffic calming measures and more patrols.

Screen Name Redacted

12/07/2021 09:50 AM

Please do not eliminate the parking area, Why not close it off in the evening when it may bother residents.

Screen Name Redacted

12/12/2021 01:24 PM

It would be nice to maintain some car access but maybe to the lower half of the park with some view access and the upper half for more pedestrian and non-motorized trail access, perhaps a walking loop!

Screen Name Redacted

1/07/2022 09:38 PM

It has been there for many many years and for people to park in there cars to see the beautiful view of kittas county and to see the beautiful rodeo grounds ...like no other place to park and enjoy the American legions it is historical.

Screen Name Redacted

1/08/2022 06:20 AM

Spend our tax dollars elsewhere, someplace that is used, the city parks have steadily declined over the years, lets man them with staff and have regularly scheduled activities!! before we worry about a park that I never see anyone at!!!

Screen Name Redacted

1/09/2022 08:10 PM

This has been a public access park for at least the 60 years I have lived here I see no benefit to closing see no benefit to closing it to vehicles unless you are trying to force the vista house to close make the park for primary neighborhoods use there

Screen Name Redacted

1/11/2022 11:54 PM

It needs to stay as is! Dont ruin a good thing. I am one of the people whom live on Alder St. And yes the high school kids race from Capital to 3rd and beyond but a it would take is to have an officer sit on the street a couple of days and they will stop

Screen Name Redacted

This is the only vantage point in town that has an aerial view of the
