Data	Responses
Not enough parking spaces	2
Downtown is not designed for accommodating as many cars as are around today. Hard to find parking and during the day you have to move multiple times.	2
Not enough spaces available	2
Not enough parking	2
Remove outside seating from the Pearl and The Mule. We're +5 years from COVID...even if permitted, parking is limited and these are a burden.	1
Restaurants still taking up valuable parking for their Covid outdoor seating	1
There is t enough parking. Instead of the unity park . A parking garage would have been great	1
Not enough parking, what is available has short time limit, outdoor seating for restaurants and a useless new park are taking up space that could've been used for parking.	1
