Hi Alicia,

Narrative Below:

“My aim is to subdivide a large lot located on Idaho Avenue so that I can create three single-family resident lots to provide greater density and housing options for The City Of Ellensburg.”

Digital copy to follow.

Cordially,

Jim Libenow, Director of Flight Operations
Loftus Ranches Flight Department

Hi Jim,
I am looking at what is required for the Short plat and I need a project narrative.
If you could email that to me and if you have a digital copy of the site plan to send that would be great.
Thank you,
