MEMO

DATE: February 1, 2010
TO: City Council
FROM: Mike Smith, Community Development Director 
RE: Council Retreat Handout Materials

I have attached two PowerPoint presentations that I will be giving at the February 3 Council Retreat.

One addresses *Smart Growth and Sustainability Principles* which will be discussed at 11 a.m. Do not let its length scare you off! I have provided a lot of material but we should be able to skim through it and then have a good discussion of the concepts and principles. There are also a number of website references that can provide you with a wealth of information if you desire to learn more at this time.

The second addresses the *City Code Revision and Review – Process and Timeline* which will be discussed at 1:30 p.m. In it I have attempted to bring you up to date on the revision and review process, as well as to provide you with some examples of other ways to do land development codes.
