January 31, 2011
5:00 p.m.
Hal Holmes Center, 201 North Ruby Street

Councilmembers Present: Arango, Bassett, Bottcher, Elliott, Lillquist, Miller, and Mayor Tabb

Others present were City Manager Barkley; City Attorney Pidduck; Energy Services Director Titus; Community Development Director Smith; Planning Supervisor Bailey; Planner Eyerly; Planning Technician Johnson; Permit Technician Callecod; Gas Operations Supervisor Larsen; Resource Conservation Manager Nystedt; City Engineer Lyyski; Library Director DeSoer; Deputy Clerk Kenos; members of the City Planning Commission and over 100 community members.

Also present were consultants Yvonne Kraus of O'Brien & Co., and Bob Bengford and Rachel Miller of Makers.

COMMUNITY MEETING – Land Development Code Update, Non-Motorized Transportation Plan Implementation, and Energy Efficiency and Conservation Strategy.

The purpose of the community meeting is to provide the public with an overview of the land development code update and energy efficiency and conservation strategy projects along with the non-motorized transportation plan implementation. The open house format includes displays, surveys and handouts for public viewing and participation. Consultants hired by the City as well as City staff will give presentations to be followed by rotating stations to solicit input and comment.

The meeting is scheduled to conclude at approximately 8:00 p.m.

Mayor
