Type of Structure Demolished #1:		Sq./Ft.:		Value:	
Type of Structure Demolished #2:		Sq./Ft.:		Value:	
Anticipated date of demolition?					
Utilities will be disconnected and meters removed upon demolition permit application approval. Will other structures be affected by the utilities disconnect?				<input type="checkbox"/> Yes <input type="checkbox"/> No	
Will another structure be constructed on this lot after the demolition is complete?				<input type="checkbox"/> Yes <input type="checkbox"/> No	
If another structure will be constructed, how long before you submit for a permit?					

APPLICANT CERTIFICATION:

* I certify that I am the **owner** of the property described above (or) the owner(s) **authorized agent** and I have been given express permission by the owner(s) of the property to submit this application for permit and that I am authorized by the owner(s) of this property to perform the work for which the application is made and I comply with the requirements of the Washington State Contractors Act, per RCW 18.27. I certify that to the best of my knowledge, the information submitted in support of this permit application is true and correct. I certify that I will comply with all applicable City of Ellensburg, state and federal regulations and laws pertaining to the work authorized by the issuance of a permit. I understand that issuance of this permit does not remove the owner's responsibility for compliance with state or federal laws regulating construction, land use or environmental laws.

Signature of Applicant: Owner (or) Authorized Agent		Date:	
Print Name:			

NOTICE: An application for a permit for any proposed work shall be deemed to have been abandoned (and expire) 180 days after the date of filing unless such application has been pursued in good faith or a permit has been issued.

NOTICE: If ASBESTOS or LEAD PAINT may be present in a structure and will be disturbed during renovation, modification, remodeling and/or demolition work, it poses a serious public and worker health hazard and you will need to comply with all applicable Washington State and Federal laws and regulations. Prior to commencing any renovation, modification, remodeling and/or demolition work on a structure containing asbestos and/or lead based paint, please contact the following agencies for all information and requirements for permitting, reporting, surveys, notifications and any other requirements necessary for compliance with all Washington State and Federal laws and regulation.
