

Asbestos & Lead Paint Information

BB-16
BULLETIN

Community Development Department
501 N. Anderson, Ellensburg, WA 98926 (509) 962-7239 (Building) (509) 962-7231 (Planning) buildinginspections@ci.ellensburg.wa.us

If ASBESTOS or LEAD PAINT may be present in a structure and will be disturbed during renovation, modification, remodeling and/or demolition work, it poses a serious public and worker health hazard and you will need to comply with all applicable Washington State and Federal laws and regulations. Prior to commencing any renovation, modification, remodeling and/or demolition work on a structure containing asbestos and/or lead based paint, please contact the following agencies for all information and requirements for permitting, reporting, surveys, notifications and any other requirements necessary for compliance with all Washington State and Federal laws and regulation.
