

Arbor Day Free Trees

The City of Ellensburg has an annual free tree giveaway program each April in celebration of Arbor Day. Any city resident may apply to plant a tree on city right-of-way. The trees are available on a first come, first served basis, and are generally available at 1 tree per applicant. The City approves the location of the tree, and pays for the tree. The applicant is then responsible for picking up the tree at the nursery, then planting, watering and caring for the tree. The applications are available at the Public Works Department, 501 North Anderson Street. (509) 962-7230

Arbor Day Tree Giveaway

The City of Ellensburg is giving away free trees in celebration of Arbor Day. Any city resident may apply to plant a tree on city right-of-way. Pick up an application for a free tree starting Thursday, April 7, 2022, and return the completed application to City Hall, 501 N. Anderson St. no later than Thursday, April 21, 2022. Approved applicants can pick up their tree at Central Nursery by Monday, May 2, 2022 and plant it. Trees are available on a first come, first served basis.

For more information, call (509) 962-7230.
