

## ELLENSBURG POLICE DEPARTMENT COMMUNITY PROGRAMS

### **Citizen Cooperation**

The Ellensburg Police Department recognizes that effective policing can only be achieved with the cooperation of the residents of the City of Ellensburg to ensure we live and work in a safe community. Our community is safest when citizens are involved and proactive in detection and prevention of crime.

Therefore, our Community Program has many diverse and successful programs that have grown and expanded to train our citizens regarding crime and safety, while providing ways for citizens to easily communicate with the Police Department.

The Department has used these programs to build relationships with its citizens, groups, and businesses in the community. We encourage you to use these programs to become involved in preventing crime and increase safety in our community.

### **What is the Citizen's Academy?**

The Citizen's Academy is a program designed to provide participants a working knowledge of the Ellensburg Police Department. It consists of classes and discussions where citizens learn about the duties and responsibilities of our department and the citizen's role in the interaction of police and citizens over a series of six classroom meetings and field trips. In addition to helping citizens better understand the police department, it in turn helps the police department better understand the citizens and their concerns.

Classes and Topics discussed at the Citizen's Academy include:

- Department History/Tour
- EVOC - Driving Course
- Use of Force - Classroom and Range
- Criminal Law and Investigations
- Patrol Procedures
- K9 Demo
- Jail Tour/KITTCOM Tour
- Domestic Violence

### What is National Night Out?

Sponsored by the National Association of Town Watch (NATW), National Night Out is the nation's night out against crime.

National Night Out encourages:

- Neighborhood Block Party
- BBQ Social
- Other outdoor events to build neighborhood spirit and unity

Research shows that when neighbors know each other and look out for each other crime goes down.

### Ellensburg's National Night Out

Each year on the first Tuesday in August, this event is celebrated in communities throughout the United States. The Ellensburg Police Department has participated in National Night Out since 2008.

Our focus has been keeping our children safe where we have helped parents establish a child identification kit as well as providing safety tips and activities for children. We sponsor a free BBQ which is free to everyone.
